

LORD'S DAY DEVOTIONAL

To promote the upbuilding of the church beyond morning worship, we are providing both a devotional and a set of discussion questions to be used in your home with family and friends. We encourage you to set apart some time this Lord's Day to use this devotional and to discuss these questions with the intention of fostering discipleship, fellowship, hospitality, and outreach to a needy world.

All are always welcome to join in fellowship and discussion at 5:00 PM at the church. Pastor Chris will lead.
